	Oiled oak / Black leather seat
	Oiled oak / Brandy leather seat

Packaging Dimensions
L600mm x D600mm x H800mm

Weight
15kg

Packaging Type
Cardboard, polyethylene foam, polythene

Notes
Stable, strong and durable, suitable for general contract use. Not suitable for outdoor use. Avoid contact with heat sources.

Leather Cleaning Guidelines
Leather can be maintained by wiping with a cool damp cloth. For tougher soiling, use a PH balanced soap foam on a cloth and rinse. Remember to always use cool water. Repeat if needed. Avoid soaking the leather. NEVER use harsh chemicals, detergents, saddle soap, or unidentified leather cleaners, solvents, ammonia, polish, varnish, and oils etc.

Wood Cleaning Guidelines
The frame should be dry dusted with a clean lint free cotton cloth. Varnished and stained ash wood can be cleaned using a slightly damp cloth with a mild detergent. Oiled oak can be re-oiled with a colour-free wood oil. Waxed oak can be re-waxed with a colour-free furniture wax

Leather care
Avoid placing the leather in direct sunlight or extreme heat. To dust, use a vacuum cleaner with a soft brush regularly. Avoid contact with sharp objects. To absorb any spills, use a clean, dry cloth immediately.
