

UNION tray

Designed by Masuko Unayama

General description:

UNION is a handcrafted tray designed for mindful moments, made with an ash veneer base, solid damped ash sides and rattan handles. Each tray is unique due to natural materials and craftsmanship.

Cleaning and care

Dust can be removed using a dry soft cloth. Cleaning of the wood can be done using a soft cloth wrung in lukewarm water. Re-oiling is possible if the wood starts to look faded or dry.
