Bed

Whatever size bed you're looking for, why not choose one that can do it all?

Thanks to a clever piece of design, the MOEBE Bed is fully expandable and can fit any mattress size from 90cm to 180cm. The minimal steel frame is powder-coated and comes in two different heights, accommodating those who prefer a lower, or a higher night's sleep.

Available in five colours, and with optional side tables that attach seamlessly to the frame, the MOEBE Bed is designed to be the last bed you ever buy.

Available in Sand, Pine Green, Black, Dusty Rose, and Terracotta.
